Mobile storage rack

Mobile storage rack Multirack

FOR WINDSHIELD, BUMPERS, MUDGUARDS etc...

FOLDABLE ! 2 TROLLEYS IN 1 ! Coated rack to store windshields and adjustable multiuse shelves for other parts. Equipped with 6 multipurpose hooks.

Good stability thanks to the trapezoid opening of the base.

When the windshield holder is not used, it is possible to close it saving floor space, as shown in the picture.
