

ART: 636 PAINTING

Super tecnostar equipped with a pyrometer

RED LIGHT SHORT WAVE INFRARED LAMP WITH 3 ADJUSTABLE PANELS

The features of this machine are very similar to model 635.

However, Super Tecnostar is equipped with a PYROMETER.

The pyrometer allows to select the necessary temperature keeping it constant as it automatically turns off or on the heating elements through the FLASH-OFF.

EXCEPTIONAL FOR ITS QUALITY AND PRICE!!
